

Kendriya Vidyalaya Sangathan RO Raipur

Report on 3-days Regional level workshop for PGT(C.Sc) for Python Language

15.07.2019 to 17.07.2019 at KV No.2 Raipur

The inaugural ceremony began with lighting of lamp and Saraswati Vandana. Smt. Prabha Minj, Principal KV No.2 Raipur, gave a hearty welcome to all the participants from Raipur region and Resource persons Shri Rajiv Kumar Patel,PGT(C.Sc) from KV Rihand Nagar and Shri Sanjeev Bhadauria, PGT CS, KV Barabanki. She also briefed about the 3-day workshop schedule.

Resource persons Shri Rajiv Kumar Patel and Shri Sanjeev Bhadauria briefed the participants about the aims and objectives of the workshop.

Dr. S. Nalayani, Assistant Commissioner KVS RO Raipur, welcomed all the participants and motivated them to work together as a team and make the programme fruitful so that after completion of the workshop all should have sufficient content to be shared with each other. She also ensured to extend her helping hand for all reasonable personal issues of the participants to make their workshop comfortable and fruitful.

There was a self-introduction session of the participants. Dr. S.Nalayani welcomed the newly joined PGTs and asked to associate one mentor to each of them from the region so that in case of any help related to subject or departmental issues can be solved.

After that, sessions on Python topics as per Class-XI and XII was taken up by the resource persons, which was followed by installation of Python in systems and having hands-on experience.

All the participants took active participation in all the activities of the 3 days workshop.

On the last day of workshop, Honorable DC madam, Chandana Mandal, Deputy Commissioner, Raipur Region encouraged all the participants to produce a better result so that the regional PI can be increased. She also gave stress on resource sharing, as this will be the first batch of Class-XII to have Python in Computer science and preparing and sharing question papers may help the students face the Board exam with confidence.
